

OSU Waterman Dairy

- Biosecurity/Liability Waiver Form -

In order to prevent transfer of diseases between humans & livestock we require all visitors to comply with established biosecurity protocols to ensure the safety & wellbeing of the livestock.

All visitors (or parent/guardian of minors) must complete this form & bring to the Waterman Dairy on the day of visit. Shoe covers are provided & must be worn while at the facility.

Please complete the following information:

Date of Visit: _____

Visitor Name: _____

(If applicable, name of parent/guardian of visitor: _____)

Contact Number: _____

Have you or a member of your household been outside of the continental United States 10 days prior to visit?

Yes _____

No _____

If you or a member of your household has been outside of the U.S. within 10 days of visiting, please contact John Lemmermen at 614-292-6759 or lemmermen.3@osu.edu to discuss options.

I verify the above information is correct.
